Jane Parker

1938 - 2020

Dedication

This year's town report is dedicated to June Eaves Parker, who passed away on October 25, 2020 at the age of 82. June was born in June of 1938 in Jaffrey, New Hampshire. She was a graduate of Becker College in Leicester, Ma. June served as a Trustee of the Trust Funds, a position she held at the time of her death. She enjoyed allocating scholarships to students. June also served as an EMT in the early days of this service being offered in Fitzwilliam. June was also a member of the Visiting Nurses Association, and was the organist at Christ Lutheran Church for several years. For many years, June gave piano lessons, which she enjoyed and had hope to start teaching again. June worked as a medical secretary in Peterborough.

We are saddened by June's sudden and unexpected passing. Her presence in the community is missed.

INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

To the Board of Selectmen
Town of Fitzwilliam, New Hampshire

We have compiled the Form MS-5 of the Town of Fitzwilliam, New Hampshire as of and for the year ended December 31, 2020 included in the accompanying prescribed form. We have not audited or reviewed the financial statements included in the accompanying prescribed form and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements included in the form prescribed by the New Hampshire Department of Revenue Administration in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

The financial statements included in the accompanying prescribed form are presented in accordance with the requirements of the New Hampshire Department of Revenue Administration, and are not intended to be a presentation in accordance with accounting principles generally accepted in the United States of America.

This report is intended solely for the information and use of management, the Board of Selectmen) the New Hampshire Department of Revenue Administration, and is not intended to be and should not be used by anyone other than these specified parties.

2020 REPORT OF THE BOARD OF SELECTMEN

Contrary to many things happening in 2020, the Town of Fitzwilliam had bright moments where long term projects and events were realized.

Perhaps the most obvious is the completion of the steeple. We are grateful for the skilled work of Southgate Steeplejacks and for their willingness to work closely with the Town. Combined with support from the Highway Department and John Holman, the steeple project was completed thousands of dollars under budget. The clock and bell have been reinstalled bringing a bit of normalcy to the sights and sounds of the Common.

NextEra's 30 megawatt solar project was approved by the State's Energy Commission late in 2020. The Planning Board, Conservation Commission and Board of Selectmen worked together for many hours to limit environmental impact and maximize value of the project.

High speed internet (Broadband) is within reach due to the efforts of the Broadband Volunteer Task Force. For over a year, this group has researched process, legislation, approach, broadband technical components, bonding, and even attending other town meetings to bring this project to Fitzwilliam. If you see Dana Pinney, Kim Heald or Paul Owens be sure to thank them for their efforts! Your affirmative vote at the annual meeting will make this important project a reality.

Please join me in welcoming Glenn Smith as our new DPW Director. Glenn is a long time Fitzwilliam resident with many years of experience with highway maintenance. In addition to his highway duties, Glenn is responsible for the Transfer Station, supporting the Cemetery Commissioners and for managing Town grounds keeping. His expanded role will improve coordination and management of this work.

We close 2020 with our renewed commitment to an approach and focus of adding long term value and controlling costs. We've invested in our "human resources", our historic buildings and technology for the future. We've eliminated redundancies, managed properties to bring businesses back on the tax rolls and sold properties to reduce taxes.

As you, we are anxious for the limitations brought by COVID to end. We are thankful for our police, fire and ambulance who have helped us through and look forward to seeing all of you in our community (in person).

Board of Selectmen

Daniel Baker, Chairman

2020 REPORT OF THE HIGHWAY DEPARTMENT

The year 2020 brought some changes to the Highway Department. Gene Cuomo retired from the department after many years of service. Gene has not retired completely though from the Town, he continues to work for the Police Department as a part-time officer. Thank you Gene for all that you have done and continue to do for our Town.

During the summer and fall months of 2020, John Holman and his crew helped the Highway Department with preparing Rhododendron Road for paving. This included helping with taking down trees, ditching, and replacing culverts. John and his crew also helped on other roads as well cleaning ditches and putting out some hot top with the grader to fill in some rough areas to keep the pavement from breaking up. I look forward to working with John and his crew on future projects.

I took over the reins of the Highway Department at the beginning of November and I am very excited to be working for my home town. I am a lifelong resident of Fitzwilliam.

I have inherited a very enthusiastic and ambitious crew. In hopes of gaining the voters' approval at Town Meeting, we are requesting \$330,000 for road repairs. If approved, this money will be used to put a final course of pavement on Rhododendron Road and a shim and overlay on another highly traveled road. This work will be contracted out to a paving contractor. The remaining money would be used to fix some of the other bad areas on the lesser traveled roads and will also be used to add stone and gravel to some of our gravel roads. This work would be performed by our own Highway Department. The Highway crew also plans on cleaning a lot of ditches as time and the weather allows on both paved and gravel roads.

I would like to take this time to thank everyone that has welcomed me to this position. My crew and I really appreciate the positive feedback that we have received so far.

Respectfully submitted,

Glenn Smith, DPW Director

2020 REPORT OF FITZWILLIAM POLICE DEPARTMENT

COVID has touched everyone's life in some way or another and we have all had to learn the new "normal". As businesses, schools, restaurants etc. were shutting down, your Police Department members spent hours in conference calls with Homeland Security and Emergency Management educating ourselves on the daily changes and new protocols, while protecting the community and learning the new "normal" for first responders.

Officer training looked different from in past years but all necessary classes, whether in person (following protocol) or via zoom, were attended.

Throughout 2020, the department remained fully staffed with officers and ready to serve the residents of Fitzwilliam. However, we are sad to report that we lost Warren Hall, the department's Animal Control Officer, who passed away on November 5th. Warren served as the Town's Animal Control Officer for many years.

Adam Dubriske has assumed the position of Animal Control Officer. He can be reached by calling the Police Department at (603) 585-6565. Adam is well qualified as he is an avid hunter and dog guide.

The Fitzwilliam Police Association had to cancel their annual Car Show due to the COVID pandemic. In lieu of that fundraiser, the FPA teamed up with Fenton Family Dealerships, Monadnock Firearms and PLP Composites to raffle a car, shotgun and a cash prize. The funds raised will allow the FPA to give \$5,000 in scholarships to MRHS 2021 graduates and will also benefit the community through other donations.

The mission of the FPA is to raise money to give back to the community where it is needed. Thankfully the pandemic did not stop our philanthropy.

We welcome you to stop in with any questions or concerns. I can also be reached via phone or email at (603) 585-6565, chief@fitzpolice.us.

2020 REPORT OF THE TRANSFER STATION

Due to the COVID-19 pandemic, the Town of Fitzwilliam is still choosing to recycle only a few items currently. This is due to the fact that the Transfer Station doesn't have the room needed to store recyclables for the amount of time required to ensure there are no contaminants on the recyclables that are brought into the facility. If COVID numbers continue to rise, a decision could be made in the near future to throw all items received into the compactor.

Two of the Transfer Station employees, Richard Goodnow and Alan Pinheiro, and one Highway Department employee, Chris Silvia, just recently received their Solid Waste Operator's Re-certifications.

Two other Transfer Station employees, Richard Patch and Ray Lafontaine, and I recently received our Solid Waste Beginner Certifications.

Please note that masks are currently required at the Transfer Station. This is a directive from the Governor. Please be respectful to the employees at the Transfer Station, they are wearing masks and social distancing for everyone's protection.

Respectfully submitted,

Glenn Smith, DPW Director

2020 REPORT OF THE BOARD OF FIRE WARDS

This year has been challenging to say the least. The COVID pandemic changed how we handle calls, altered protocols and procedures, and trainings were modified and/or postponed. It was a challenge but we've learned along the way and are better for it. On a happier note, we participated in COVID safe parades including celebrations, get well wishes and send offs. Fire Department members gave up their time to bring a little cheer to those celebrating their special day at home and/or those that were struggling and needed a little encouragement.

We welcomed new members to the department and several current members have received promotions from within the department. Even with the struggles that the pandemic brought, members successfully completed their Fire Fighter 1 and EMS courses. Aside from newer members working in these areas, present members continue with fire and EMS training as part of the duties required of the membership.

Our inventory of vehicles include the 2003 Pierce Contender pumper, the 2009 Mack Tanker, the 2009 Ford 350 Super Duty Forestry Truck and the 2013 Ford Ambulance/ A 'new to us' 2002 Pierce Dash Pumper was purchased after much research and consideration. With a generous donation to the department we were able equip this engine and place it into service as a front line piece.

REPORT OF THE BOARD OF FIRE WARDS - continued

A continued focus of the department is to supply adequate ambulance service to the community. While receiving Mutual Aid coverage, we are actively pursuing increased coverage. These meetings were slowed due to the COVID pandemic, as it has proven difficult to get multiple communities together to meet during these tough times. With COVID safe protocols in place, the meetings have resumed and a team was put together to come up with a permanent solution.

As always, the department is interested in meeting with anyone who would like to know who we are and what we do. If you are interested in joining, you can contact Chief Adam Dubriske or any member of the Board of Fire Wards for further information. If you wish to contact us by telephone, please call 585 – 6561, or stop by the fire station any Wednesday evening.

2020 REPORT OF THE LIBRARY DIRECTOR

As we all know, 2020 was an unusual year in the history of the Fitzwilliam Town Library. COVID-19 made its mark on our institution, beginning with the closure of the building on March 16, 2020. We worked to keep our collection and our programming as accessible as possible to all during this difficult time.

Initially, while the building was completely closed to the public for about three months, we continued to provide curbside pickup for books, magazines and movies, as well as a few online programming opportunities. Meredith Fournier, our stalwart children's librarian, did delightful online storytimes and craft programs, while our adult book group continued online without a break. A few other online programs like our Bird Migration program helped to fill in for our usual busy schedule, although inevitably we saw a substantial reduction in all services.

With the start of limited library access to the public in June, we were able to allow browsing for patrons, and the resumption of in person children's programming outdoors. This allowed our Summer Reading Program to take place as usual, with multiple, smaller groups. We missed having exciting performers come to the Library, but we offered special prizes to a few lucky readers to keep up the excitement level.

With the advent of fall, we revised our after-school program to accommodate smaller, socially distanced groups on multiple days, and were able to continue to entertain kids with fall and holiday crafts and cooking! Our children's book groups continued to meet, with masks.

Sadly, at the end of the year we lost our beloved and very energetic children's librarian, Meredith Fournier to a bigger library with a bigger job. We will miss her enthusiasm and inspiration.

Some **Statistics** from the Library:

- 20,254 items checked out! This comes to more than 9 per resident.
- 1,087 purchased materials were added to the collection. 90 donated items were also added.
- 240 Programs were held with total attendance of 2,236.
- 91 people used library computers and 361 used our wireless in the building, plus many more outside!
- We borrowed 393 books from other libraries for our patrons and loaned out 347.
- 3,738 audio and e-books were downloaded to Fitzwilliam users, and the number keeps rising.
- We held 43 meetings in the Library, with 303 attending.
- 426 people subscribe to our weekly newsletter.

My heartfelt thanks to all of our capable and welcoming staff: Winta Hay, Chip Baker and Meredith Fournier have all provided expert help at the checkout desk. Meredith spearheaded our energetic preschool storytimes, afternoon activities for kids and some of our new children's programming. We also wish to honor our many volunteers: Ben Johnson, Lucy Humphrey, Eleanor Bubbs, and Julia Baab. In addition, we thank all the generous donors to the Friends of the Library as well as their Board members: Jen Fritz, Stacie Pirozzi, Barbara Brooks, Eileen Tully, Kristen Noonan, Cathie McGuirk and Erin Ostergard.

Kate Thomas, Library Director

2020 REPORT OF THE RECREATION DEPARTMENT

After many years of service, Cindi Beede resigned as Recreation Coordinator. We sincerely thank Cindi for her years of service to the Fitzwilliam Community!

Despite 2020 being a challenging year for planning programs and events, we were able to successfully execute a few! Some of the highlights were:

Our first annual **Fitzwilliam Light Up The Night!** We challenged Fitzwilliam to a holiday lights competition and the response was fantastic! Twenty-one homes registered their lights displays for all to enjoy.

Best Lights Display was awarded to The Goodnow's on Church Street. Runner Up was awarded to The Keefe's on Matthew's Road. Honorable Mention was awarded to The Lane's on Old Turnpike Road.

We organized the first ever **"Take-A-Hike Challenge"** to encourage residents of all ages and abilities to enjoy the beautiful natural resources in our own backyard. Fifty people registered for the Challenge and cumulatively logged over 100 miles of hiking across eight local trails. Registered participants were entered into a random drawing and were awarded in the following categories:

Youth: Evelyn Noonan; Teen: Colin Donnelly; Adult: Jen Skelton; Senior: Robin Lowry

We are encouraged to continue and expand the Challenge moving forward!

We hosted a fun and safe **Summer Recreation Day Camp** program for elementary aged youth, amid the pandemic. Tate Van Valkenburg organized a fantastic program including lots of games, crafts, fun with food, and weekly visits from the ice cream truck!

2020 REPORT OF THE RECREATION DEPARTMENT - continued

Recreational Sports programs continue to be successful. Basketball for elementary aged youth ran through January & February under the direction of Jeff Joseph.

A survey in the spring revealed a desire for a T-Ball/Baseball program. We developed a program, however, the program was canceled due to the pandemic. We hope to offer this program in spring 2021.

Fall Soccer looked a bit different this year as we decided on a once-per-week "Skills & Drills" format. Jen Fritz organized a fun, safe and effective program to teach elementary aged kids the fundamentals of soccer!

Lastly, we organized Spring & Fall Litter Cleanup in an effort to keep our beautiful rural roads clean and litter free.

Our goal moving forward is to expand program offerings for all residents: toddler, youth, teen, adult, and seniors. We always welcome and encourage feedback and ideas for new programs/events. The Recreation Department can be contacted via phone: 603-585-7270 or email: FitzRec@Fitzwilliam-NH.gov, Monday – Friday: 9 a.m. - Noon.

A huge THANK YOU to the Fitzwilliam Recreation Commission Members: Shane Stevens, Lyndsey LePage, Sarah Short, Jennifer Cesaitis, and Pat Boudette as well as all who have participated in Recreation programs this year!

Respectfully Submitted,

Sheena Royce, Fitzwilliam Recreation Coordinator

2020 REPORT OF THE CEMETERY TRUSTEES

Work Force:

In 2020 we operated with one, two, or no part time employees at various times. Finding workers that were qualified and willing to perform manual labor was a challenge that we faced in 2019 but the difficulty dramatically increased in 2020. This challenge was encountered by other towns as well. These are seasonal part time jobs without benefits that have limited applicants. The COVID issues only increased the problems finding workers that wanted to perform manual labor. We need workers with a high attention to detail and the ability to perform maintenance without damaging our numerous memorial stones.

In 2021 we will be working with the Highway Department and the DPW Director will supervise the daily work. We hope this arrangement will ease some of our worker and supervision problems.

The trustees will continue handling the administrative work, dealing with the funeral homes, monument companies and families and will retain the overall cemetery responsibility.

Recurring Work:

We had an average amount of mowing and trimming this year. This spring and early summer were during the worst of our labor shortfall and the grass and trimming suffered with the result being embarrassingly long grass.

Flower Planters:

We owe the Lions Club a big thank you for again assisting us by planting the flowers in the barrel planters at both cemeteries. This joint project has us purchasing the flowers and the Lions doing the actual planting. The Lions also planted bulbs near the flagpole at Pine Grove and we look forward to seeing the new plants next year. We also have ten new barrels waiting to replace some of the planters at Pine Grove in the spring.

Equipment Issues:

The equipment held up well and only some minor repairs were necessary. The Hustler zero turn mower purchased two years ago and the older Hustler both saw routine use this year. The old Hustler zero turn mower completed its tenth year of use in the cemeteries.

Trees and New Plantings:

We have identified at least ten pine trees at Pine Grove near the rear property line that will need to be removed due to their deterioration and the danger they present to the cemetery and people. The Highway Department will drop these for us in 2021.

We also accomplished one tree removal and additional tree trimming in the Village Cemetery. This work was contracted out.

Cemetery personnel trimmed and shaped plantings on the lots at both cemeteries as usual. We continued to remove a number of dying and overgrown shrubs and plantings at the request of the owners.

Grass and Leveling:

Very little landscape work such as leveling and reseeding was accomplished due to our worker limitations. Several areas at the Village Cemetery did receive some attention. Pine Grove had some over seeding and lime applied in areas. This landscape maintenance will always need attention each year.

REPORT OF THE CEMETERY TRUSTEES - continued

Projects:

Very little project work was accomplished due to our manpower limitations this year.

Sunken Markers – We did not get to these this year and hope to return to this work in 2021.

Granite Curbing – We did not accomplish any of this work due to manpower limitations. We submitted a CIP request for a warrant article so that we can resume this project in 2021 due to the need to level a number of the curbing pieces that are affecting memorial stones.

Marble Stone Cleaning – We continued to clean marble stones at the Village Cemetery. This work will continue in 2021. You can easily see the improved appearance of the stones that we worked on over the past three years. Many marble stones still need maintenance and these can easily be identified by their dark black color caused by bacterial growth that is detrimental to the stone surface. It takes at least two applications of the cleaner over a period of time.

Budget:

We again submitted a budget request that was level funded compared to last year.

We did submit one funding request via warrant article to continue the leveling of granite curbing in the Village Cemetery. We were able to accomplish some of this work on the smaller curbing with our own personnel and equipment in the past. We now need to bring in a contractor to level and stabilize more of the curbing. This situation affects many of our memorial stones since some of them either sit on top of the curbing or are actually mounted into the curbing. This will be a multi-year project.

CEMETERY TRUSTEES

2020 REPORT OF THE TOWN CLERK

The year 2020 was a memorable year for all. We had to live through many things that I am sure you never thought you'd see, but we made it and here's to 2021.

In 2020 we processed 3,729 Motor Vehicle permits, which are renewals, duplicates, transfers, news and such. We were shut down to the public from April to mid-June but we still managed to get everyone's registration needs met. You can still use the eb2gov application for renewals. It saves you time waiting in line and keeps the crowds in the Town Hall down. We are still only processing CASH and CHECKS in this office. Please plan accordingly.

In March was our Local Election. I ran again in March of 2020 for a 3 year term. Thank you to those who voted for me and I will try to convince the others who didn't that I am a good choice. We had 433 ballots cast during that Election; 32 by Absentee ballot. After the election is when life changed.

During 2020 we processed 494 dog licenses. There was a little relaxation on dog licensing during 2020 but we will come through strong in 2021. We lost our Animal Control Officer in November and have a new Animal Control Officer who was willing to do the job! Please get in before April 30 to license your dog(s).

Before our Local Election in March, we held the Presidential Primary in February. During that Election we processed 282 Republican and 476 Democratic ballots. We had 24 Democratic Absentee ballots and 2 Republican Absentee ballots

We processed the State Primary in September and everything went well. We maintained social distancing as required by law and the people came and voted. We had 261 Republican ballots and 270 Democratic ballots (within those numbers were 24 Republican Absentee ballots and 96 Democratic Absentee ballots).

Finally, in November we held the General Election. We registered 104 new voters in Town which brings the number of registered voters to 2,085. During that Election we cast 1,382 ballots of which 358 were cast as Absentee. It was a busy year, especially with COVID, but we made it through and can tell our grandchildren about it.

Please remember to bring your driver's license in to the Clerk's office when doing any motor vehicle transaction - we will ask for it. Also, remember your registration when doing a renewal or transfer. It is required and we will not be able to complete your transaction without a lot more work (and money). A lot of things have change in this office. We are only following the State Law and trying to make everyone happy.

In closing, I would like to thank you for all your hard work keeping up with the changes within this office and the Town Hall. Here's to looking forward to 2021 and going back to our "new" normal.

Respectfully submitted,

Heidi L. Wood, Town Clerk

2020 REPORT OF THE PLANNING BOARD

Planning Boards are established to provide for the orderly growth and development of the municipality. Planning Board regulatory duties include the review and approval of all subdivisions, boundary line adjustments, voluntary mergers and site plan review applications for commercial uses or multi-family residences. The Planning Board may recommend and take public input on amendments to the Zoning Ordinance. The Planning Board, in a process which involves input from the people of Fitzwilliam, is also responsible for preparing and amending the town's Master Plan to guide the development of the municipality.

This year was a very busy and challenging year. The year began with ongoing work on updating the Wetlands Protection Overlay District and the Sign and Advertising Devices ordinances to put before the residents of Fitzwilliam at the annual Town Ballot Voting Session. One additional change to the ordinances was completed to amend the Table of Standard Dimensional Regulations.

In the Board vote for Officers that takes place after Town Meeting, the Board re-elected Suzanne Gray, Chairman; Terry Silverman, Vice Chairman; and Robin Peard Blais, Secretary. Paul Haynes and Barbara Young were also re-elected to the Board for three-year terms following elections at the Town Meeting.

From early March through December, there were substantial challenges navigating the new 'norm' that we are in due to the COVID pandemic. The Board was able to continue business with an abnormally high level of applications. Considerable time was spent on the Chinook Solar Project that was proposed by NextEra. This is a project first proposed by Ranger Solar and taken over by NextEra, a Florida company, for a 30 Mega Watts solar array farm. The project, known as "Chinook Solar" has since been approved by the New Hampshire Site Evaluation Committee (SEC). In collaboration with the Conservation Commission and the Board of Selectmen, the Planning Board hired experts to review noise, groundwater issues, wildlife habitats and archeological issues. These experts and a legal advisor were hired by the town at NextEra's expense. The Planning Board committed over two years of work reviewing documents and working through issues associated with this project.

The Planning Board heard fourteen cases this year, including three Site Plan Reviews for Changes of Use, three major subdivisions, two minor subdivisions, one Boundary Line Adjustment, and five Conditional Use Permits. There were several Preliminary Consultations providing guidance regarding changes of use and construction within the wetlands buffers that proved useful in determining whether formal applications for Site Plan Review and/or Conditional Use Permits were required. The Board also endorsed two Voluntary Lot Mergers.

The Planning Board values input from Town residents and welcomes you to attend meetings; and encourages interested volunteers to serve on the Planning Board as members or alternates. The Planning Board meets on the first and third Tuesdays of the month at 7:00 p.m. in the Town Hall.

Respectfully submitted,

2020 REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals for relief from zoning ordinance requirements. The Board considers the unique circumstances of each case and decides to grant relief, if warranted, based on specific criteria. They consider the impact of the proposed action on the neighborhood and the land; and whether it is in harmony with the purpose and intent of the zoning ordinance. The Board can't change zoning ordinances, but is empowered to grant appeals in accordance with State and local law as specified in the Land Use Code.

The Board considers appeals for Variances, Special Exceptions, Equitable Waivers of Dimensional Requirements, Appeals of Administrative Decisions and Motions for re-hearings.

2020 was a very busy and challenging year for the Board of Adjustment. The Board continued to work through the COVID pandemic and deliberated on twenty-four cases, including eleven Variances, two Special Exceptions, three Administrative Appeals, and one Re-hearing request. Three cases were withdrawn and the Board is still deliberating on four cases at time of print.

The Zoning Board of Adjustment meets at 7:00 p.m. on the second Tuesday of the month at the Fitzwilliam Town Hall when they have an application before them. The Board invites and encourages all interested parties to attend hearings and meetings as noticed.

2020 REPORT OF THE HISTORIC DISTRICT COMMISSION

The mission of the Historic District Commission is to preserve historic structures and places of historic and architectural value; preserve a district in the municipality that reflects elements of its cultural, social, economic, political and architectural history; conserve property values; foster civic beauty; and maintain the existing architecture of the district. The Commission reviews all exterior construction/renovation located within the Historic District of Fitzwilliam through an application process and public meetings. They are also responsible for amendments to and adoption of regulations in accordance with State statutes.

In 2020, the Historic District Commissioners met five times and used the design guidelines to review ten applications including: exterior modifications and repairs for residences and the Library; installation of rooftop solar panels; property line fencing; new exterior structures including a sunroom, pergola, deck, and shed; roof snow/ice guards; and temporary signage for the Church.

Applications for all exterior changes within the Historic District come before the Commission for consideration and approval. The Commission meets on the second Thursday of each month at 4:00 p.m. in the Town Hall when there is a case before it. All meetings are open to the public and we encourage participation from all those interested.

Respectfully submitted,

2020 REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission continues its mission to protect the natural resources of Fitzwilliam. We thank voters for approving last year's addition to the Conservation Land Fund, and appreciate your continuing support.

The Commission faced challenges this year due to COVID-19 but continued working with the Board of Selectmen on matters relating to town concerns about the Chinook (NextEra) Solar Project, the largest photovoltaic solar project in New Hampshire. The project will place all undeveloped land into conservancy (over 200 acres) while the remaining land will become conservation land once the project ceases to be used for renewable energy production. The Commission appreciates the support of the Board of Selectmen and Planning Board in securing this provision.

The Commission, working with the Planning Board, spearheaded the warrant proposal to designate six new wetlands as Prime Wetlands. This designation will provide additional protection to some of the town's most important water resources. We also provided consultation to the Planning Board on projects affecting wetlands and on the review and revision of the Wetland Protection Overlay District (WPOD) ordinance.

The Commission maintained representation on the Meadowood Task Force that is examining future options for the former Meadowood County Area Fire Department property, focusing primarily on well water testing and possible strategies for site cleanup.

Over the past year the Commission continued to monitor, maintain, stock maps, and update markers along the Widow Gage Town Forest trails, which continues to be a popular hiking location. The trail has received recognition from area residents and conservancy groups. Due to pandemic restrictions, additional work on town trails was not able to be completed, but plans remain in place for next year.

The Commission has joined the Cheshire Rail Trail group, organized by the South West Region Planning Commission, to begin planning improvements to the old rail line between the Massachusetts border and Keene. We continue to represent the town on the Monadnock Advisory Committee and maintain membership in the NH Association of Conservation Commissions. The Commission continues to monitor opportunities and encourage conservation of the many scenic, recreational and wildlife habitat features of Fitzwilliam.

The Commission thanks Dorothy Zug, a long-time Commission member, who left the Commission midyear after moving out of town. She was instrumental in organizing the Natural Resource Inventory manual, in addition to being part of the Meadowood Task Force. The Commission welcomed Terri Robbitts as a new member.

We continue to advise groups, applicants, and agencies on conservation matters and meet regularly with the Board of Selectmen. The Conservation Commission meets every third Monday at 7:00 p.m. We invite you to join us as a guest or new member.

2020 REPORT OF THE CODE ENFORCEMENT OFFICE

The Code Enforcement Office enforces regulations of the Fitzwilliam Land Use Codes, issues permits for construction, and occupancy permits for new home occupation after completion of construction.

Upon receipt of a written complaint, the Code Enforcement Officer performs an investigation, ensures compliance of construction permits to applicable zoning requirements, dedicates Emergency 911 numbers, and reviews all construction permit applications and plans. This review ensures safety from fire, flood and establishes that all other public requirements are met. Once a permit has been granted, the Code Enforcement Officer, if necessary, visits the property prior to the start of construction to determine that all setback requirements have been met. In the absence of a Code Enforcement Officer, those duties are handled by the Board of Selectmen and staff in the Selectmen's Office.

If you should have any questions with regard to permitting for construction, please contact the Selectmen's Office to obtain a copy of the Construction Permit regulations. Please remember that all construction, renovation, demolition and changes to buildings require a permit. We continue to see construction being completed in town without first obtaining a construction permit approval. It is always best to check with our office prior to construction to determine if a permit is required. When applying for a permit, please remember to allow yourself enough time for the paperwork to be processed prior to the start date of construction.

In 2020, 59 construction permits were issued. A sampling of permits requested were for: seven new single-family homes, two roof mounted solar panel systems, and nine renovations and/or additions to existing homes. If you should have any questions with regard to building issues, please feel free to contact the Selectmen's Office at 585-7723.

Respectfully submitted,

Code Enforcement Officer

2020 REPORT OF THE ECONOMIC COMMITTEE

What a challenging year this was for the Economic Committee!! We got off to a great start but then had to put a halt on our meetings and events. We were not alone as most businesses, organizations, and committees were facing the same issues. We managed to reconvene in late summer via the Zoom platform and brought in one new member. Since then, still meeting remotely, we have been working with some of our local businesses in trying to identify their difficulties during the pandemic with the hopes of being able to assist them. Some businesses have really struggled while others have flourished. Go figure! While 2021 is still uncertain, it is our hope to be able to be here for the Fitzwilliam businesses. When they succeed, our town succeeds.

We are still looking for two new members to join our committee. We meet once a month and everyone is welcome.

Respectfully submitted,

**HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF FITZWILLIAM
JANUARY 1, 2020 TO DECEMBER 31, 2020**

ANNUAL REPORT

In 2020, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Fitzwilliam. HCS clinical and support staff continued to make home visits in appropriate personal protective equipment (PPE) to ensure the safety of patients while assisting their recovery at home. The following information represents HCS's activities in your community during the past twelve months.

SERVICE REPORT

SERVICES OFFERED

SERVICES PROVIDED

Nursing	1,145 Visits
Physical Therapy	516 Visits
Occupational Therapy	309 Visits
Medical Social Worker	99 Visits
Home Health Aide	1,473 Visits
Chronic Care	379 Hours
Meals-On-Wheels	750 Meals
Healthy Starts Well Child Services	51 Hours
Foot Care Visits	28 Visits

Hospice services and adult medical day care services are available to residents. We are also offering the Kinship Navigator program this year to support grandparents who are parenting grandchildren.

FINANCIAL REPORT

The actual cost of all services provided in 2020 with all funding sources is \$524,926.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2021 we request an appropriation of \$2,040.00 to continue to be available for home care services and an appropriation of \$450.00 for the Meals-On-Wheels program.

For information about services, residents may call (603) 352-2253 or 1-800-541-4145, or visit www.HCSservices.org.

Thank you for your support of home care services.

2020 SOUTHWESTERN COMMUNITY SERVICES

Southwestern Community Services provides assistance to local communities and its citizens through its LIHEP Fuel Assistance program, Housing Stabilization programs, Senior & Workforce rental housing developments, Head Start education & childcare, WIC nutrition & health, the Electricity Assistance Program (EAP), DOE Weatherization programs, Employment and Day Services for developmentally disabled adults as well as several Workforce Development & Training programs.

In Fiscal Year 2020, SCS provided 463 units of service to the citizens of Fitzwilliam totaling \$174,288.08 in direct assistance. SCS is requesting 1% of the amount of direct support.

Southwestern Community Services encourages open communication between the agency and the communities that it serves. We would be happy to conduct office tours in Keene or Claremont. Agency staff is also available to present information to town officials focusing on the agency as a whole or specific programs.

SCS is grateful to have the Town of Fitzwilliam's support.
Thank you.

Keith F. Thibault, Chief Development Officer

2020 REPORT OF THE COMMUNITY VOLUNTEER TRANSPORTATION COMPANY

In 2020, we received funding from 22 out of 33 towns. Thirty-two out of fifty-one active drivers braved the "new normal" by sanitizing their cars, themselves, and continued their devotion to get our riders to important medical appointments and grocery shopping. The drivers also gave riders protective masks for themselves and their families. Our numbers are slowly increasing and we remain hopeful for better times ahead.

2020 Fitzwilliam Statistics

85 ride requests were received from 11 Fitzwilliam residents;
2,726 miles logged in for volunteer drivers;
146 hours of service donated for a value of \$2,190;
4 volunteer drivers live in Fitzwilliam.

Having a pool of volunteer drivers from each town is ideal. Please contact Ellen Avery to discuss becoming a volunteer.

Sincerely,

Ellen A. Avery, Executive Director

MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State Statute (RSA 227-D:4) and is charged to advise and guide the Department of Natural and Cultural Resources (formerly, the Department of Resource and Economic Development) on the managed lands on Monadnock, Gap and Little Monadnock Mountains. State law allows the Commission to accept tax deductible donations. MAC funds are a primary source for search and rescue supplies and equipment.

Members of the Commission include two representatives from each of the towns these mountains are part of, the Monadnock State Park Manager, the Director of the Division of Parks and Recreation, the Director of the Division of Forests and Lands, and the President of the Forest Society (Society for the Protection of New Hampshire Forests). Other guests include Antioch University MERE (Monadnock Ecological Research and Education) Project, Forest Society Recreation Manager, and Monadnock State Park Volunteer Coordinator.

Regular meetings are scheduled for the spring and fall, but the Commission met only once in 2020, due to limitations caused by the pandemic. The increase in outdoor exercise and recreation has increased the strain on the State Park resources at Monadnock, as it has on all State Parks in New Hampshire. Many parks have lost significant amounts of revenue, but Monadnock managed to remain open throughout the year, which minimized losses locally. The Division of Parks and Recreation has been seeking reimbursement through the CARES ACT for losses and expenses caused by the COVID epidemic, but so far without success.

A reservation system for Monadnock State Park users was initiated this year, which according to staff reports is working very well. Visitation has been extremely high, and during peak times the State Park had to turn away visitors. This of course put strains on other trailhead parking lots, and many access points had to be closed to avoid overcrowding and overuse. High usage has resulted in additional wear on trails and resources, especially since Monadnock Trails Week had to be cancelled, as did most facility improvements, trail projects, volunteer work and retail operations. The number of rescues is down from 2019, but still higher than the years just previous to that. Rescue operations requiring lift carries were less than the previous three years.

Studies of the effect of over use of Mount Monadnock and Mount Washington are still on hold, but the need of these studies is clearly recognized. Also clearly understood is the impact the increased use of Mount Monadnock, Gap Mountain and Rhododendron State Park has on all access points, and time and planning will be initiated to study those effects and plan on how to prepare for them. Timber harvesting planning and execution continues on several sites on lands surrounding these mountains, with careful plans to limit their effect on recreation uses.

The members of the Monadnock Advisory Commission encourage input from the citizens of our towns regarding anything to do with the care of the mountains we are charged with helping to maintain.

**THE STATE OF NEW HAMPSHIRE
TOWN OF FITZWILLIAM
TOWN WARRANT 2020**

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said State of New Hampshire, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the 10th of March next between eleven (11:00) o'clock in the forenoon and seven (7:00) o'clock in the afternoon to act on issues required to be voted on by ballot (Articles 1 through 4) and to meet at seven (7:00) in the afternoon to act on the business matters of the Town (Articles 5 through 20). The polls will be open on ballot issues not later than 11:00 a.m. and close not earlier than 7:00 p.m., or such later time as shall be authorized by a vote of the Town.

ARTICLE 1. To bring in your votes for the election of one Selectman for three years; one Town Clerk for three years; one Fireward for three years; one Budget Committee Members for three years; one Trustee of the Trust Funds for three years; one Trustees of the Library for three years; one Cemetery Trustee for three years; two Planning Board members for three years; one Commissioners of Plante Memorial Park for three years; one Supervisor of the Checklist for four years; and one Supervisor of the Checklist for six years.

ARTICLE 2. Are you in favor of the adoption of **Amendment #1** as proposed by the Planning Board for the Fitzwilliam Zoning Ordinance to delete Section 127-19, F. in its entirety, as follows?

All reduction to dimension in the Table of Standard Dimensional Regulations for porches or building additions to be by Special Exception.

Explanation: *The purpose of the amendment is to make the process for allowing reduced setbacks for porches and building additions the same as that for any other grandfathered structure, which requires a variance, which is in keeping with the general purpose of zoning.*

X ☐ YES

☐ NO

ARTICLE 3. Are you in favor of the adoption of **Amendment #2** as proposed by the Planning Board for the Fitzwilliam Zoning Ordinance to amend Section 127-16.1, Wetlands Protection Overlay District, as follows?

By adding language to the Authority and Purpose section; amending the definition of Prime Wetland to be consistent with state regulations; clarifying what is a wetland buffer; clarifying the process for an application for a permit within the District; changing the requirement for a special exception for certain uses to a conditional use permit; adding a setback from wetlands for parking areas and off-site snow dumps; and making other clarifying changes throughout the ordinance to make it easier to understand and implement.

Explanation: *The purpose of the amendment is to improve and simplify the process for obtaining a Conditional Use Permit within the Wetlands Protection Overlay District, adding clarifying language, and eliminating conflicting and/or inconsistent terms and phrases.*

X ☐ YES

☐ NO

ARTICLE 4. Are you in favor of the adoption of **Amendment #3** as proposed by the Planning Board for the Fitzwilliam Zoning Ordinance to amend Section 127-28-33.4, Signs and Advertising Devices by deleting all language that intends to limit, regulate, or prohibit the content of any sign?

Explanation: *The purpose of the amendment is to make the ordinance compliant with recent case law.*

X ☒ YES

☐ NO

ARTICLE 5. To hear and act upon the reports of Agents, Committees and Officers, heretofore chosen.

Selectman Baker moved the Article; Motion was seconded. Selectman Baker recognizes Gene Cuomo for his years of service and the wish him well with his retirement. Selectman Baker recognized Selectman Bates and asked her to talk about the Broadband initiative. Selectman Bates explained the initiative to the audience.

Voted in the affirmative.

ARTICLE 6. To see if the town will vote to raise and appropriate the Budget Committee recommended sum of \$2,019,538 for general municipal operations, or take any action thereon. The Selectmen recommend \$ 2,019,538. NOTE: This warrant article (operating budget) does not include appropriations voted in any other warrant articles.

C. Hagstrom made a motion to accept the article as written; motion 2nd.

Voted in the affirmative.

ARTICLE 7. To see if the town will vote to raise and appropriate the sum of \$165,000 to be added to the Town Buildings Maintenance and Repair Expendable Trust Fund created by ARTICLE #24 of the 2005 Annual Town Meeting, or take any action thereon. \$65,000 to be raised by taxes and \$100,000 from unassigned fund balance (The selectmen propose the following projects for 2020: Repair Town Hall Tower and Steeple and any other projects as needed).

(Recommended by Budget Committee, Recommended by Board of Selectmen)

Selectman Baker moved passage of the Article as Written; Motion 2nd. Selectman Baker talked about the projects, including the Steeple of the Town Hall.
